Instructor Ratings

The GSI's instructional activities, contributions, and/or feedback enhanced my learning. ("Learning" may include gaining mastery of course content and new skills, exposure to new methodologies and modes of critical thinking, and extending the ability to express oneself on the topics treated in the course.)

Open Ended Instructor Questions

Please provide comments or suggestions about the GSI

Comments
Great guy! Presents information in engaging and clear way, allowing for easier understanding of course material in discussion.
Pranav does a very good job at communicating ideas and concepts to students. Course material clicked after I attended discussion. When I didn't, I had to spend a lot of time figuring things out from lectures and notes. I would highly recommend students to attend Pranav's discussion.
